Adobe Express - Presented by Jeremiah Long

The screenshot displays the Adobe Express web interface. At the top, there is a navigation bar with the Adobe logo, a dropdown menu set to 'All', a search bar labeled 'Search everything', and a 'Join community' button. On the left side, a vertical sidebar contains navigation icons for Home, Your stuff, Brands, Templates, Schedule, and Learn.

The main content area features three primary AI tools:

- Text to image:** A card with the heading 'Text to image' and the subtext 'Generate images from a detailed text description.' It shows a generated image of a coffee drink on a cloud. A text input field contains 'Try describing people, places, and moo...' and a 'Generate' button. A link for 'Adobe generative AI terms' is at the bottom.
- Generative fill:** A card with the heading 'Generative fill' and the subtext 'Describe what you'd like to add or remove.' It shows a living room with a blue sofa and a TV. A text input field contains 'Upload image to start'. A link for 'Adobe generative AI terms' is at the bottom.
- Text to template:** A card with the heading 'Text to template' and the subtext 'Generate editable templates from a description.' It shows a flower shop flyer with the text 'Flower shop sale flyer'. A text input field contains 'Try specifying a topic or occasion (English)'. A link for 'Text to template terms' is at the bottom.

Below these tools is a section titled 'Suggested Quick actions' with a 'View all' link on the right. It contains five action cards:

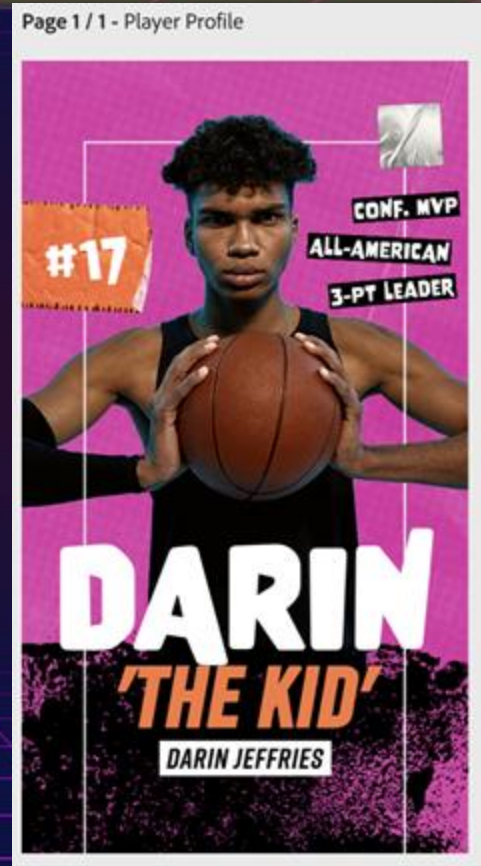

- Logo maker:** A card with a coffee cup icon and a 'BETA' tag.
- Remove background:** A card showing a white sneaker with a transparent background.
- Resize image:** A card showing a bouquet of flowers with a dashed box and arrows indicating resizing.
- Convert to GIF:** A card showing a video frame with a play button and a 'GIF' tag.
- Resize video:** A card showing a video frame with a play button and a 'GIF' tag.

The screenshot displays the Adobe Express web interface. At the top left, the Adobe Express logo is visible. A search bar contains the text "Search everything". To the right, there are icons for "Join community", chat, a grid, a bell, and a profile picture. A vertical sidebar on the left contains icons for Home, Your stuff, Brands, Explore, Schedule, and Learn. The main content area features a large banner with the text "Welcome Jeremiah, Get started with templates, design assets, your own files and more." Below the banner is a horizontal menu with categories: "For you" (selected), Social media, Video, Photo, Document, Marketing, and Generative AI. Underneath this menu are tabs for "Suggested", "Class projects", "Career", "Events and clubs", "Drawing and fun", and "Learning aids". A "Custom size" button is located on the right. The main area displays a grid of six design templates: "am square post", "Flyer", "Logo", "Video", "Resume", and "Webpage".

Create a caption to describe the image. Give details about where the image came from and who created it. Describe how this image relates to the rest of the topic.

My Poetry
by ME

Don't forget love
it will bring you all
the madness you need
to unfurl yourself
across the universe.

- Meerabai

Periodic Table CCG - Presented by Jeremiah Long

Let's use our AI Art and Gfx Design skills!

In this project we will use:

- Adobe Firefly to create a character image
- Adobe Express to layout our collectible card game
- Additional project ideas and template links
